Crisis/Rapid Response Family Meetings

Questions to Ask during a Shelter Care Hearing

Was a Crisis/Rapid Response Family Meeting held?

If yes, can you please explain the *family's plan* for addressing the emergent concern?

Things to look for in the family's plan:

- More family/kin** present at the meeting than professionals
- The plan provides a **solution(s) for the emergent concern(s)**
- The plan is **written in the family's language**, not the child welfare agency's language
- Private family time** was offered for the family to discuss the plan

If no, why was the meeting not held?

When will the family be gathered to have a family meeting?
