

# Section 17 – Visitation

## Additional Resources

Title, Date & Author	Brief Synopsis	Additional Notes
<p>Byer, M. (1999). Parent-Child Visits as an Opportunity for Change. <i>The Prevention Report</i>. pp. 2-12. Retrieved November 12, 2021 from, <a href="https://www.martybeyer.com/sites/default/files/visits.pdf">https://www.martybeyer.com/sites/default/files/visits.pdf</a></p>	<p>This article provides specific information regarding parent, child, and caregiver reactions to visitation. It focuses on how to use visits to help parents improve their ability to meet their children’s needs. While much of the article is written for those supervising visits and/or creating visiting programs, the information is useful in highlighting the correlation between frequent, quality visitation and child safety, well-being and permanence.</p>	<p>Direct link to the Marty Beyer website  <a href="https://www.martybeyer.com">https://www.martybeyer.com</a></p> <p><i>To retrieve the article, use the link below:</i></p> <p><a href="https://ocfcpacourts.us/wp-content/uploads/2021/09/1.-Parent-Child-Visits-as-an-Opportunity-for-Change..pdf">https://ocfcpacourts.us/wp-content/uploads/2021/09/1.-Parent-Child-Visits-as-an-Opportunity-for-Change..pdf</a></p>
